Dear Mr. Mann:

This is in response to your U.S. General Services Administration (GSA) Freedom of Information Act (FOIA) request (GSA-2015-000115), dated January 28, 2015 in which you requested "the complete GSA contract (contract number is GSA0009AA0506 that was awarded to Deloitte Consulting LP on 9/23/2010."

Please find enclosed the documents responsive to your request. However, in processing your request, we are withholding the unit pricing information and technical and administrative processes and procedures unique to Deloitte Consulting LLP. This information is considered proprietary and has been withheld under the fourth statutory exemption of the FOIA, 5 U.S.C. 552(b)(4), which states, "matters that are trade secrets and commercial or financial information obtained from a person or organization, that are privileged or confidential, if released, would result in competitive harm to the company.

Additionally, we have also withheld signatures in accordance with the sixth exemption of FOIA, 5 U.S.C. § 552(b)(6) because public disclosure of this information would constitute a clearly unwarranted invasion of personal privacy.

You have the right to appeal the partial denial of the redacted records. To do so, you must write within 120 days of your receipt of this letter to the following address:

U.S. General Services Administration FOIA Requester Service Center (H1C) Room 7308 1800 F St. NW Washington, DC 20405

Your appeal must be in writing and should contain a brief statement of the reasons why you believe GSA should release the requested information. Enclose a copy of your initial request and this denial. Both the appeal letter and envelope should be marked prominently, "Freedom of Information Act Appeal."

This completes our action on this request. Should you have any questions, please contact Mr. Travis Lewis, at <u>202-219-3078</u> or by email at <u>travis.lewis@gsa.gov</u>
